

II. REMARKS AND CONCLUSION

The amendment to the specification is merely to insert a brief description of Figure 11 as required by the Notice of Drawing Inconsistence with Specification. Support for this amendment can be found in the specification as filed (see, for example, page 31). Therefore the applicant believes that no new matter is added.

The applicant respectfully requests entry of this Amendment under 37 C.F.R. §1.312, in that the amendment to the specification is made prior to payment of the issue fee and do not require a new search or examination of the allowed claims. As this Amendment is filed within 30 days of the date of the Notice of Drawing Inconsistence with Specification, the applicant believe that no fee is due. If a fee is required, it may be charged to Deposit Account No. 01-2300, referencing Attorney Docket No. 108382-08067.

Respectfully submitted,
